| Bradley | Eccles | brad.eccles@smtafe.wa.edu.au | (047) 501-1330 | Race | Rally | Yes | | | Offshore racing and sailing in South Africa 20 years ago. I have recently taken up the sport again and am currently crewing on a Farr 9.2 learning the foredeck. would like to move into crewing offshore and get offshore sea miles. happy to crew before the race / cruise to get to know the boat. Also happy to get First aid and radio licence if required. My Partner crews with me and would also be interested in general crewing, but will not be able to get the time off to race. Would also be available to crew the return journey instead of the actual race. |
