Person in charge: \_\_\_\_\_

**Declaration by person in charge:**

I confirm that the team shore contact has been advised of their responsibility to keep families of other crew members informed and understands that in case of an emergency, or if contacted by an emergency authority they should call the Organising Authority club using the contact details provided for the race, for further instructions. They should be briefed and hold the following information for each race, please tick to declare that they will be informed:

- Full crew list for yacht, including PLB number, emergency contact name and emergency contact phone number for each person. Vessel EPIRB(s) and MMSI identification details.
- Radio Room phone number or contact details provided by the OA for the race.
- That an SMS may be sent by the Offshore Administrator prior to the race to confirm their contact phone number and that they are the contact person for the team. If this is done the Team Shore Contact person must reply.
- Race tracking information if being used for the race:
- In the case of an emergency involving contact with the Water Police or other emergency services, the team shore contact may be provided with a number to call to receive information that the OA Club is not at liberty to release.
